JACKSONVILLE, FLORIDA

Dear Dad, and grandmother! Nov. 1, 1944

I got your letter today and the newspaper clippings. Boy the Houston paper really poured it on Texes. I like writing I enjoyed most was Morris Frank's I can't see how that ever beat Texes yet but I was really happy to hear about it.

We are leaving on Nov. 1st for school which means that we will have had ~~at~~ only 5 weeks' heat and only 2 more weeks to go.

I was also glad to hear about the Ceero game.

Grandmother: You had better see about your eye and have it fixed up. I

got a box of cookies from
Aunt Frances today but
you both not send me any
because were not supposed to
have any in our lockers.

We had our base liberty
taken away because we had
on dirty gear at a surprise
inspection but we've got it
back now because we had
the cleanest barracks.

We are going to boxing
in P. E. now and our instructor
is really good. We've now agreed
to box Billy Conn before
Conn goes in the army.

I've really learned about
boxing but there's alot I
don't know too. The instructor
said that I had a fast left
and that with a little practice
I could become a good boxer.

I knocked away out of the
ring in ~~the~~ a boxing match.

I seem to hit pretty hard
and fast ~~but~~ and have good footwork
but I am open too much.

Boxing is really a lot of fun
I wish I would have been boxing
a long time. I boxed again with
a boy who has been boxing
a long time and who is a
little bigger than me.

99 c is really a good boxer
and hits plants hard. He
knocked me all over the
place but he taught me
a lot and I can give him a good
fight now.

Well that all for now

Love

Frank

P. S. - Grandmother you get
that eye fixed up.
