Dear Folks,
Well I'm writing again, but I don't know much to tell you except that I'm still here.

This thing this in is very new and it seems nobody knows anything much about it. I hear about $\frac{1}{3}$ officers, of both army and Navy, but all the enlisted men are in the Navy or Marines.

I don't know how much longer we will in this country I don't think it will be very long. I wish I could get into something else though.

THE SALVATION ARMY • THE YOUNG WOMEN'S CHRISTIAN ASSOCIATIONS
THE JEWISH WELFARE BOARD • THE NATIONAL TRAVELERS AID ASSOCIATION

because I sure would like to fly.

I went up to San Francisco last week end. Boy! That place crowded I never saw so many people in one place at a time. It was too crowded there so I went across the big Bridge there which goes across the bay. Over there is Berkeley! where the University of Cal. is. It seems to be a very nice school. I went to a dance there that night

P. S. I saw Buck Louis
Hefner and several other
Pine boys at a U.S.O. in Berkeley.
