Dear Folks,

I received Dad's letter today and grandmother's day of two ago. I also received two bunches of newspaper clippings recently, which I enjoyed reading very much.

More bunches of men leave every week and I wouldn't be surprised if we leave next week or the week after next. They have been going to Schumaker and from there to I presume Iceland to be shipped out.

A Major General talked to us this morning, he is ⁱⁿ charge, in Washington of some ^{army} part of (Cora) ^{RASH} but he didn't say much.

I had a very enjoyable week end up near the big Redwood trees and snowcapped mountains. The scenery is very beautiful here and I enjoyed the trip very much. I always did like to travel and see things, and still do.

I haven't heard from Elmer P. for a while and I wouldn't be surprised if he has shipped out.

I sent you some cards of the trees & scenery, and I also took some pictures but it was a cloudy day and I don't know how they came out.

I have been hearing from B & B

SHELTON and he seems to be doing alright
his letter may seem ^{vague} vague and
shattered, but I can't think of
much to say on any one
subject

Our Basketball team
lost in the final game of a
tournament at Ft. Ord. We lost
by 3 points. If we would have
won last one of us would have
gotten a trophy.

20th ~~day~~ all
over
Love
Frank
