Dear Folks,

I'm sending you a group of pictures and 3 negatives. It was a cloudy day and the ones in ^{the} pictures didn't ^{turn out} so well but ^{the} negatives developed. I hope you and family are pretty good. I have a good deal of fun and am going to try and take it out with me. This got another roll in printing shop now having it developed.

I got Edward's cake today and really enjoyed it. It was really good. All of the fellows liked it too.

I won't be able to write you for ^{the} ^{next} 4 days, as we are going to go on a 4 day ^{business} (camping engagement) and are the last bunch of enlisted men here. The others have gone from ^{Shofmiller} to ^{Leavenworth} to ^{Seattle}, Washington.

I can't take out any ^{leave} ^{at} ^{the} ^{moment} ^{for} ^{Seattle} since everything is so mixed up and I can't get any leaves except emergency leaves.

Love
Frank
