Dear Folks,

Well here I am again back at my old
task of writing. Its about 7 o'clock
Sunday evening here and I have
just finished drinking 2 ice
cold cokes. the first since had
since leaving Eniwetok.

I here is a P.X. here which
sells candy, cigarettes etc. Now they
have gotten some beer and cokes.

We have a movie here at least
every other night and they have
all been good ones so far. most
of them new.

I have been seeing several Nippon
around here with the gold braid.
They seem to take great
pleasure in showing them
off in front of the enlisted
men. some of the guys get
pretty mad about it but
they can have the honey
wenches as far as skin concerned.

I going to see a guy tomorrow about
r-s deal. I hope it works out o.k.
Was news sounds pretty good.

Love
Gene
