Dear Folks,

Well I guess its about time that I
got back to letter writing as
much as the duty pains me.

Nothing new is happening here.
Except that another big draft
is leaving for some time.
They are getting pretty hard up
for experienced & some ground
this place. I don't see why they
don't let us all go, but it
doesn't seem to matter much
what I think.

The rainy season is coming
back, I presume, since it has rained
every day for 5 days. It won't
be so bad this summer as it was
last, because of the fact that
we won't be out in it so much
and we live in huts instead of
tents. I hate to see it

Come, anyway. This must really foul
things up.

I think I wrote you before that
I ~~do~~ think that I can get in Texas
if we don't say anything about
me going to Bies. I hope you
will be able to find out for me.

That's all for now

Love

Frank
